Les études d'été en français

Summer Work: All AP French students are expected to complete the following work by the second day of school. In addition, there will be a test over the vocabulary and the present tense on that day.

1. **Vocabulary**

- a. Write the definitions of the vocabulary words on the vocabulary charts.
- b. Use the flashcards and Quizlet to study the vocabulary.
- c. Complete the vocabulary activities in the workbook.

2. **Grammar**

- a. Review and study the present tense formation for regular and irregular verbs.
- b. Complete the present tense activities in the workbook.

3. **Readings**

Complete the activities in the reading packet for "Le Jour de Mariage."

4. **Writing-**

Maintain a writing journal: Record one journal entry per week (6 total). It should be 100-150 words in length, written entirely in French. You are to choose your topics from the list and use **wordreference.com** to incorporate new vocabulary. Please underline any new vocabulary words that you use.

Bonnes vacances!!!
