Dear 2018 Moon Valley Seniors and their parents:

Congratulations! Welcome to your senior year at Moon Valley High School. The Moon Valley Yearbook Staff is beginning to plan the 2017-2018 yearbook. Our tradition is to have our seniors get their portraits taken at Grads Photography, at no cost to you, so they are included in the senior section of the yearbook. The goal of the yearbook staff is to include all seniors in the yearbook.

This year we are trying something new! Seniors will stand apart in the yearbook by being photographed in a Moon Valley cap and gown. This will be at no cost to you. Grads Photography will provide the cap and gown for the picture. You will be able to purchase these photos instantly for graduation announcements instead of having to wait until spring to see your senior in a cap and gown. Seniors will look distinguished in their section of the yearbook as it should be to recognize their years of hard work and dedication. This is mandatory for all seniors who wish to be in the yearbook. Note: a picture in a cap and gown for the yearbook does not guarantee a diploma in May.

You must have your yearbook picture taken by our contracted photographer, Grads Photography. Neither the ID picture taken at registration or any photo taken by a different company can be used. THE YEARBOOK PICTURE MUST BE TAKEN NO LATER THAN OCTOBER 31, 2017. Please complete one of the following:

- Arrange a sitting for your senior portraits with Grads ASAP. Their phone number is 623-566-1082. Their website is www.gradsphotography.com. Make sure they take a "yearbook picture".
- If you do not wish to purchase photos at this time, simply contact Grads to arrange a drop-in to have your yearbook picture taken prior to October 31.
- On Thursday, October 26, Grads will be on campus to take underclassmen re-takes. They will have a senior camera set up in the building 5 conference room to photograph seniors who have not yet had their picture taken. You can come by **on your lunch** to have your yearbook picture taken. Please be advised that photos taken at this time will NOT be available for purchase.

Please make certain you do one of the above options, OR YOUR PICTURE WILL NOT BE IN THE YEARBOOK. I'm hoping for 100% coverage of seniors this year! Please feel free to contact myself or the school with any questions.

Thank you,

Kimberly Fisher
Moon Valley Yearbook Adviser
kimberly.fisher@guhsdaz.org

VERY IMPORTANT: YEARBOOKS CAN BE PRE-PURCHASED FOR \$65 FROM THE STUDENT BOOKSTORE, ONLINE AT JOSTENS.COM, OR AT WALK-THROUGH REGISTRATION BY NO LATER THAN DECEMBER 31, 2016. WE DO NOT ANTICIPATE HAVING EXTRA YEARBOOKS AVAILABLE IN MAY; THE ONLY WAY TO GET A GUARANTEED YEARBOOK THIS YEAR IS TO ORDER BY DEC. 31!
