- Skim the chapter and write the French words that you don't know on a separate piece of paper and write the English translation next to them;
- Read the chapter;
- Answer the questions at the end of the chapter;
- Write a 3-5 sentence summary of the chapter in French (past tense) underneath the words and questions for the chapter

2. Writing-

Maintain a personal journal and record one journal entry per week. It should be 75-100 words in length, written entirely in French. The journal entries must be dated and the words totaled. The format must be consistent. You will be required to have 8 entries.

3. Vocabulary-

Study the 50 vocabulary words. Choose 25 words and write a sentence with each of them on the worksheet.

4. Listening –

Watch 2 French movies with the **language set to French and French subtitles**. During each movie make a list of 15 phrases in French that you recognize and write the English next to them. In addition, write 10 new words that you learned.
